

# shuboy

Finding inspiration on the streets, shuboy is fearless when it comes to mixing genres. Injecting his blues into jazz, country, bluegrass, rap, middle eastern and everything in between. Singing and performing originals and covers on his National Steel tricone resonator, homemade cigarbox guitars and harp.

shuboy's an old school street musician based in Saskatoon, Sk . An experienced performer on the slide guitar and an accomplished harp player, he can be found singing and playing originals and reframed covers such as Folsom Prison Blues, Highway 61 revisited, Cold Cold Heart.

Following up on his successful 2019 eclectic western tour "shuboy's traveling medicine show" shuboy's taking the medicine show east summer 2020. The first track of his new album Songs From the Box has just been released on Spotify and itunes " Chalk It Up"
